Dear Professor

Many thanks for your very kind letter of 24 Sept. 1949.

I must apologise for not having answered your letter before but enquiries had to be made in London in order to give you a satisfactory reply. This I am now in a position to do. The Home Office were very sympathetic and promised to look after your interests by issuing the proper papers which would enable Nicolas and Valery to join you. It will be up to you of course to make the necessary arrangements for the entry visas. I would however like to add that the wheels of bureaucracy grind extremely slowly and it may take a little time yet before your reunion is finally effected.

I am very happy to see that at long last you have managed to settle down and that you are once again lecturing on your favourite subjects.

Sincerely Yours

E. KULBACH

P.S. I would appreciate it if you would let me know what progress is being made.
